S16 Light Weight Rifle

Dear Sir or Madam,

Additional to calibre 223 Rem., our S16 light weight rifle is available in the calibres 222 Rem., 300 Whisper and 300 AAC Blackout starting from october 2018.

Furthermore the S16 will be delivered with a 5-rounds polymer magazine. Other compatible AR-15 Stanag magazines from an accessory store can also be used.

Kind regards from Kufstein

Your VOERE Team
